

TAIWAN CHAMBERS OF COMMERCE IN CANADA

加拿大台灣商會聯合總會

First Canada's Delegation to Visit and Promote Investment in Taiwan

**Mutual Trust, Friendship, Cooperation and
Opportunities**

1. The Origin

In Canada, Taiwanese entrepreneurs have gradually expanded the scale of investment involved in a wide range of industry categories. Especially in Vancouver and Toronto regions, both cities have become one of the top operation areas for Taiwanese entrepreneurs in North America.

With the new government came to power and the improvement of the overall investment environment in Taiwan, there is a significant increase in the willing of Taiwanese entrepreneurs to invest back in Taiwan. Face-to-face visits will help both parties to establish a good impression for one another, allowing both sides to understand each other's needs and concerns quickly and easily. Lastly, the visits will also give both parties opportunities to cooperate in the future.

This event aims to encourage Taiwanese entrepreneurs and exceptional Taiwanese corporations to share their wide range of professional experience, insights, and knowledge via various examples during interaction and discussion, hoping to promote firm bilateral relationship and inspire infinite possibilities ultimately.

Participation in this event creates an open communication channel for both sides to understand each other and to look to the future. Moreover, it also promotes the diversification of business cooperation and internationalization of business operation, as well as, enhances socioeconomic status of overseas Taiwanese and Canadian Taiwanese in Canada.

2. Introduction to Organization

Taiwan Chambers of Commerce in Canada (TCCCA) was founded in 1995. The primary responsibilities are to coordinate and to manage provincial, national, or international affairs of Taiwanese entrepreneurs in Canada. This organization is composed of various Taiwanese organizations registered and approved by provincial level or above. The purpose of the organization is to promote mutual assistance for Taiwanese organizations across Canada, to strive for and to protect the rights and interests of Taiwanese entrepreneurs, and to improve the social status of them. The organization also aims to create business opportunities and to develop business operation for Taiwanese entrepreneurs.

TCCCA also promotes international communication, stimulates Taiwanese entrepreneurs in Canada to visit Taiwan, and also assists Taiwanese enterprises to expand to Canada and North America, in order to promote a bilateral two-way exchange as well as international competitiveness to gain mutual benefits.
